

The Seekers Medley

All songs by The Seekers, arranged by Stephanie Mitchell

Morningtown Ride

All: Train whistle blowing makes a sleepy noise
Underneath their blankets go all the girls and boys

All: Rocking rolling riding out along the bay
(Altos sing Rock-ing, Roll-ing, On — the — bay)
All bound for Morningtown many miles away
(Altos sing Bound — for — Morningtown, Miles — a—way)

All: Driver at the engine fireman rings the bell
Sand man swings the lantern to show that all is well

All: Rocking rolling riding out along the bay *(Altos chorus as above)*
All bound for Morningtown many miles away

All: Maybe it is raining where our train will ride;
All the little travellers are warm and snug inside

All: Rocking rolling riding out along the bay *(Altos chorus as above)*
All bound for Morningtown many miles away

All: Somewhere there is sunshine somewhere there is day
Somewhere there is Morningtown many miles away

All: Rocking rolling riding out along the bay *(Altos chorus as above)*
All bound for Morningtown many miles away
All bound for Morningtown many miles away *(last line Altos sing with the rest)*

<Piano short intro to I'll Never Find Another You (2 bars only), soft>

I'll Never Find Another You

All: There's a new world somewhere
They call the promised land.
And I'll be there someday
If you could hold my hand.
I still need you there beside me

No matter what I do
For I know I'll never find another you.

All: There is always someone
For each of us, they say.
And you'll be my someone
Forever and a day.
I could search the whole world over
Until my life is through
But I know I'll never find another you.

All: It's a long, long journey
So stay by my side.
When I walk through the storm
You'll be my guide, be my guide.

All: If they gave me a fortune
My pleasure would be small.
I could lose it all tomorrow
And never mind at all.

All: But if I should lose your love, dear,
I don't know what I'd do
For I know I'll never find another you.

But if I should lose your love, dear,
I don't know what I'd do.
For I know I'll never find another you.
Another you.

<straight into Georgy Girl, no break at all>

Georgy Girl

All: Hey there, Georgy girl! Swingin' down the street so fancy-free
Nobody you meet could ever see
The loneliness there Inside you

All: Hey there, Georgy girl, why do all the boys just pass you by?
Could it be you just don't try, or is it the clothes you wear?

All: You're always window-shopping but never stopping to buy
So, shed those dowdy feathers and fly — a little bit

All: Hey there, Georgy girl! There's another Georgy deep inside
Bring out all the love you hide
And, oh, what a change there'd be
The world would see a new Georgy girl!

All: Hey there, Georgy girl, dreamin' of the someone you could be
Life is a reality, you can't always run away

All: Don't be so scared of changing, and rearranging yourself
It's time for jumping down from the shelf — a little bit

All: Hey there, Georgy girl! There's another Georgy deep inside
Bring out all the love you hide
And, oh, what a change there'd be
The world would see a new Georgy girl!
